09:00-09:20 Welcome by Brian Goretzki, Southwestern Commission Vice Chair.
Introductions around the room.

SUBMIT YOUR BUSINESS CARD FOR A DOOR PRIZE DRAWING
Check Temperature and Lighting of room. **SPEAK UP IF WE NEED TO ADJUST**

09:30-10:15

Southwestern LLRW Commission

SPEAKER: Southwestern Compact Chair Donna Earley, retired from Cedars Sinai Medical Center

Ms. Earley will present a safety risk review that puts radiation exposure in perspective. Ms. Earley has extensive knowledge and experience overseeing the Radiation Safety Programs and personnel of Cedars Sinai and coordinating with local law enforcement agencies in Los Angeles for the safety and security of the Cedars Sinai Facility.

10:15-10:45 MORNING BREAK-Network with ATTENDEES

10:45-11:30

Bionomics

SPEAKER: John McCormick, Vice President and Founder

Mr. McCormick will cover the details of the SCATR (Source Collection and Threat Reduction) Program. Bionomics has collected Sealed Sources for the CRCPD SCATR Program for the past several years, and while the program is popular, there are still many licensees that are unaware of the program and the benefits. It is not too late to register. **This opportunity provides generators financial assistance equal to 40% of the cost of collection, processing, and disposal of sealed sources.**

11:30-12:15

California Radiologic Health Branch

SPEAKER: John Fassell, Chief for Inspection, Compliance & Enforcement

Mr. Fassell will give a presentation on State Audits, reporting requirements, renewing a State License-does location matter, and safety requirements at your site. Come with your questions! This is an important resource for you.

12:15-1:00 Lunch to be served for all attendees-Network time with attendees!

DRAWING FOR DOOR PRIZE

1:00-1:45

Waste Control Specialists (WCS)

SPEAKER: Christopher Shaw, Radiation Safety Officer

Mr. Shaw will discuss WCS's capabilities for treatment, storage and disposal of waste and answer any questions you may have concerning those capabilities, or the process for getting waste to their facility near Andrews, Texas. He will also provide an update on new developments and future plans.

2:00-2:45

Energy Solutions of Utah

SPEAKER: Vern Rogers, Vice President

Mr. Rogers will discuss Energy Solutions' capabilities for treatment, storage and disposal of waste and answer any questions you may have concerning those capabilities, or the process for getting waste to their facility near Clive, Utah. He will also provide an update on new developments and future plans.

Fill out/submit your evaluation forms and suggestions for future workshops sponsored by the Southwestern Low-Level Radioactive Waste Compact

THANK YOU FOR YOUR SUPPORT

Adjourn 3:00 P.M.
