

**SOUTHWESTERN LOW-LEVEL RADIOACTIVE
WASTE COMMISSION ONE-DAY WORKSHOP
(Time, Subjects & Speakers may change)**

**March 12, 2024 Renaissance Phoenix Downtown Hotel. 100 N. 1st Street
Phoenix, AZ 85004. Phone: 1-833-342-0496:**

08:15-09:00 Registration/Check-in. Morning Refreshments will be available

09:00-09:20 Welcome by Brian Goretzki, Southwestern Commission Vice Chair.
Introductions around the room.

Check Temperature and Lighting of room. **SPEAK UP IF WE NEED TO ADJUST**

09:30-10:15

Southwestern LLRW Commission

SPEAKER: Southwestern Compact Chair Donna Earley, retired from Cedars Sinai Medical Center

Ms. Earley will present a safety risk review that puts radiation exposure in perspective. Ms. Earley has extensive knowledge and experience overseeing the Radiation Safety Programs and personnel of Cedars Sinai Medical Center and coordinating with local law enforcement agencies in Los Angeles for the safety and security of the Cedars Sinai Facility.

10:15-10:45 MORNING BREAK-Network with ATTENDEES

10:45-11:15

Bionomics

SPEAKER: John McCormick, Vice President and Founder

Mr. McCormick will cover the details of the SCATR (Source Collection and Threat Reduction) Program. Bionomics has collected Sealed Sources for the CRCPD SCATR Program for the past several years, and while the program is popular, there are still many licensees that are unaware of the program and the benefits. It is not too late to register. **This opportunity provides generators financial assistance equal to 40% of the cost of collection, processing, and disposal of sealed sources.**

11:15-12:00

Energy Solutions of Utah

SPEAKER: Tim Orton – Director of Technical Services

Mr. Orton will discuss Energy Solutions' capabilities for treatment, storage and disposal of waste and answer any questions you may have concerning those capabilities, or the process for getting waste to their facility near Clive, Utah. He will also provide an update on new developments and future plans

12:00-12:45 Lunch to be served for all attendees-Network time with attendees!

12:45-1:15

Arizona Department of Health Services

SPEAKER: Brian Goretzki, Chief – Bureau of Radiation Control

Mr. Goretzki will give a presentation on license requirements, reporting requirements, inspections and license renewals. Come with your questions! This is an important resource for you.

1:15-1:45

Texas-Vermont Low-Level Radioactive Waste Compact Commission

SPEAKER: Stephen Raines - Executive Director

Mr. Raines will explain the process for getting Compact approval to import low-level radioactive wastes into Texas for disposal at the Waste Control Specialists facility near Andrews, Texas.

1:45-2:15 AFTERNOON BREAK-Network with ATTENDEES

2:15-3:00

Waste Control Specialists (WCS)

SPEAKER: Ryan Murdock – Director of Technical Services

Mr. Murdock will discuss WCS's capabilities for treatment, storage and disposal of waste and answer any questions you may have concerning those capabilities, or the process for getting waste to their facility near Andrews, Texas. He will also provide an update on new developments and future plans.

Fill out/submit your evaluation forms and suggestions for future workshops sponsored by the Southwestern Low-Level Radioactive Waste Compact

THANK YOU FOR YOUR SUPPORT

Adjourn 3:00 P.M.
