

**DISPOSAL REPORT FOR
SOUTHWESTERN LOW-LEVEL RADIOACTIVE WASTE
COMMISSION**

ALL Waste Generators are required to submit a Disposal Report as agreed to by your approved Petition for Exportation (Section A, paragraph 7-Check your DUE DATE).

Petition# _____

FROM: _____

ADDRESS: _____

Date of shipment _____ Date of Disposal _____

Check here IF this report is for a final shipment. If there was more than one shipment under this petition, this report may summarize the year's total for this Petition Year.

Check here IF the waste was processed and then disposed of as the processors or yours, **YOU MUST** still submit a Disposal Report to SWLLRWCC. You must have documents to verify receipt to Processor. Volume and radioactivity data are not required for closure.

Check here IF this is an **INTERIM DISPOSAL REPORT**. This must be filed not later than the **DUE DATE** listed on your Petition. You must notify SWLLRWCC that all your waste has not been received for final disposal by the end of the Petition year. A follow-up Disposal Report shall be submitted to SWLLRWCC before closure of the above approved Petition is complete. The Waste Generator understands the failure to submit the report is grounds for the Commission to deny any further approval of future petitions.
